Parvathi arrived even more recently, joining the school at the beginning of year 11. After only one year of study she achieved a 9 in Maths, 7 and 5 in English Literature and Language, A* in Physics, and As in RE, Biology, Chemistry and Geography.

Mariam has been a pupil since year 7 and achieved 8s in English Language and Maths, a 7 in English Literature, A*s in Biology, Chemistry, Physic and RE, and As in French, History and Statistics.

Sr. Bernadette was emotional on leaving the school on such a high note. "I am so proud of the achievements of the girls and staff. They have worked so hard to achieve these results. I am also delighted to be handing the school over the excellent care of the new headteacher, Ms Jocelyn Lewis. I know the school will go from strength to strength."
